CAREER ACADEMY OF THE PALM BEACHES

Career Camp is for individuals with disabilities, ages 14-21, with an IEP or 504 plan and enrolled in school

Gulfstream Goodwill Industries' Vocational Rehabilitation (VR) 50-Hour Career Camp at the Career Academy of the Palm Beaches provides in-person, paid work-based learning experiences, job exploration counseling, workplace readiness training and self-advocacy training. Classes are designed to instruct students on skills for adult life, focusing on skills needed for work and independence. A stipend will be paid for every 10 hours of work-based learning completed.

A variety of businesses are selected so students will be exposed to different industries and experiences, including retail and hospitality venues.

Vocational guidance and practical lessons are taught in the classroom and then applied in the community. Instruction in travel training is provided during community-based training.

Gulfstream Goodwill Industries (GGI) is a private, non-profit agency serving Palm Beach, Martin and Okeechobee Counties for over 50 years. It is the most significant health and human services provider and the largest homelessness provider in its territory. GGI changes lives through employment, helping people with disabilities and other employment barriers to becoming self-sufficient, working members of the community.
