One lucky bride-to-be will win a \$4,000 shopping spree

SPECIAL TO FLORIDA WEEKLY

With “she said yes” season officially here, one lucky bride-to-be will win a \$4,000 bridal shopping spree through The White Magnolia’s Married & Bright Dream Dress Shopping Experience.

The White Magnolia Bridal Collection giveaway includes a personalized VIP bridal appointment, up to \$4,000 toward a gown, and a special feature across The White Magnolia’s website, social channels and bridal community.

Brides are invited to share their

love stories, their vision for the big day, and what makes this season so meaningful for a chance to win.

“As a women-owned bridal company, we see every bride as part of our story,” says Kerrie Hileman, founder of The White Magnolia. “The holiday engagement season is such a magical time filled with love stories and new beginnings, and we created this giveaway to celebrate the joy of saying yes to forever and one of life’s most meaningful moments — finding that dream dress. In the spirit of the season of giving, we are thrilled to offer

one special bride a giveaway of a lifetime.”

The Married & Bright Dream Dress Shopping Experience is open to 2026 and 2027 brides who live near or can travel to one of The White Magnolia’s boutiques: Palm Beach, Jacksonville, Tampa, Atlanta, Savannah, Greenville, Nashville, and Charleston.

Entries are open through December 31. The winner will be announced in January 2026.
